

HARBORD STREET LONDON SW6

A rare and highly desirable end of terrace house within the Bishops Park Estate

This exceptionally bright, 5 bedroom, end of terrace family house benefits from a unique footprint of significant width, that allows for spacious entertaining areas and most impressively, a rare double garden. Unusually the house also boasts a sizable adjoining garage with electric access.

The ground floor comprises a wider than average double reception room with wooden floors and a feature fireplace. At the rear of the property, a light open plan dining room and well-equipped kitchen lead onto a substantial garden also with decked path accessing the second side garden. There is also ample built-in storage, a separate utility room and guest wc on this level. On the first floor the master suite benefits from extensive built-in storage and a well appointed en suite bathroom which features both a large separate shower and free-standing roll-top bath. There are two further double bedrooms, a dressing room and a family bathroom. The top floor comprises two further bedrooms, both with built in storage, and a bathroom with bath and separate shower.

Harbord Street is a quiet residential street in the prestigious Bishops Park Estate. Located in the 'Alphabet Streets', this sought-after road runs between the Fulham Palace Road and Stevenage Road, and the area is very popular with families due to its proximity to the open spaces of Bishop's Park and the Thames Footpath, ideally positioned for river walks.

The Fulham Palace Road offers a host of boutique shops, cafes and restaurants, as well as access to many bus links. Harbord Street is located 0.8 miles from Putney Bridge tube and 1.1 miles from Parsons Green tube, both running on the District Line in zone 2, and is also 1.3 miles from Hammersmith Broadway, running on the Piccadilly and District Lines. The Fulham Palace Road also provides good access to both the A3 and M4.
